EVENT DESIGN AND STYLING

ABOUT THE COMPANY

Bespoke Event decorating company specialises in personalised events, transformation of commercial spaces and wedding styling.

We work on any space to transform and create unforgettable experiences for our clients to share with their loved ones. From the outstanding centre pieces, florals, ceremonial wedding decorations, furniture, props and backdrops. We create an exceptional visual piece that sets the ambience for your celebration and leaves your guests with memorable experiences.

Our passion for designing events, planning weddings, and styling these events comes from our ability to add a WOW factor while we bring our clients' vision to life.

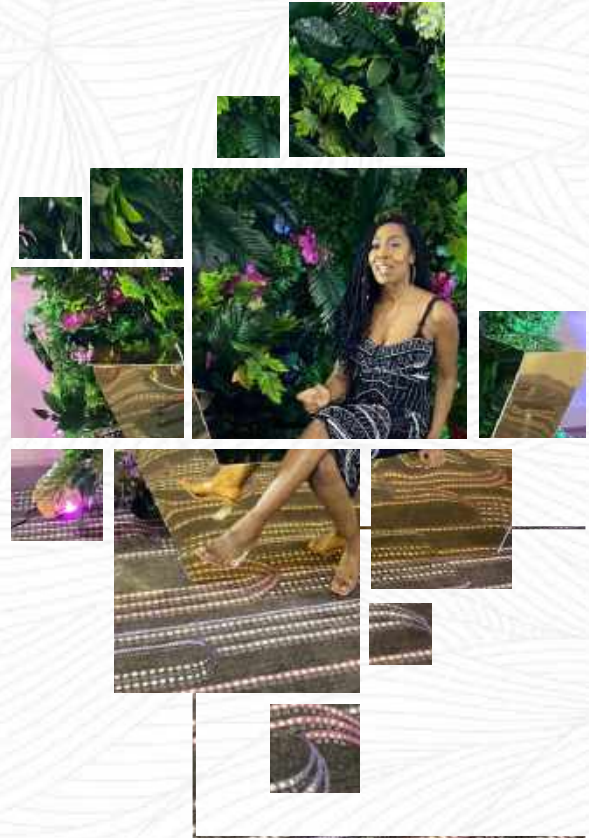

WHAT WE DO

As one of United Kingdom's top wedding and event stylists and designers, our commitment is to create unforgettable experiences for our clients, and add extra colour to their day .

Each wedding and event that we style and design is conceptualised to suit your imagination, rather than offering pre-arranged packages. We provide personalised packages to suit our clients and their budget. We ensure your event is tailored to you rather than someone else's.
